

Wellist announces Dennis Donovan, President and CEO of Beacon Advisors International, LLC (BAI) joins the company's Board of Advisors

We are thrilled to welcome Dennis Donovan to Wellist’s Advisory Board! Dennis brings a wealth of global experience and leadership across industries that span private equity, manufacturing, health care, technology, industrial; automotive; distribution; energy; aerospace & defense; government services; consumer & retail; transportation; financial services; materials and chemicals; engineering & construction; and, building products. His track record of driving transformative business results and his strategic insights will be invaluable as we continue to expand and refine our services at Wellist. From his time at Cerberus Capital Management to leadership roles at General Electric, Raytheon, and The Home Depot, Dennis has a reputation for creating impact, building strong teams, and delivering results. Dennis has also been a Board Member and Advisor to the Board of Directors for multiple companies in Europe, Canada and the United States. We’re excited to collaborate with him as we work toward our shared vision of improving lives by connecting people to the resources and support they need. Welcome, Dennis—we can’t wait to see what we’ll achieve together!
